PRAVEEN K P

Computer science engineer

PROFILE

I am an engineering student who has lot of passion to learn new stuff to enhance my knowledge level

SKILLS

ANDROID APP DEVELOPMENT

WEB DESIGNING

System Hardware

UNITY

PYTHON

ADDRESS:

No.02, kuppusamy goundar nagar, Pathirikuppam, Cuddalore.

EDUCATIONAL QUALIFICATION

Course	Board/university	Institution	Year	Aggregate mark
B.E.(Computer Science and Engineering)	Anna University	I.F.E.T. college of Engineering	2016-2020	CGPA-**8.07**(till 5th semester)
Higher Secondary Course Certificate	State Board	Lakshmi Chordia memorial matric higher secondary school, Cuddalore	2015-2016	**78.58%**
Secondary School Leaving Certificate	State Board	Lakshmi Chordia memorial matric higher secondary school, Cuddalore	2013-2014	**87.6%**

ACHIVEMENTS

- ✓ Got **25+ certificates** in various colleges for presenting papers, project expo and Hackathon.
- ✓ Our project titled "**Hand gestures to control home for physically disabled people**" was selected for the **Chief Minister award**.
- ✓ Won **2nd** price in "**web designing**" in National level Technical Symposium in Adhiyamaan College of Engineering (Autonomous)
- ✓ Won **2nd** price for presenting paper in topic "**Behavioural analysis for smart security**" in National level Technical Symposium in Adhiyamaan College of Engineering (Autonomous)
- ✓ Won best presentation award in our college for topic "**Smart Agriculture to support farmers**"

PROGRAMMING LANGUAGES KNOWN

- **C#** (I had learned this language for android app development in unity platform)
- **Java**
- **C**
- **C++**
- **Python** (I done project using python)
- **HTML** and **CSS** (for web development)

AREA OF INTEREST

- o Design and Analysis of Algorithm
- o Artificial Intelligence
- o Programming and Data structures
- o Engineering Graphics
